

**8<sup>TH</sup> BALTIC CONGRESS  
OF LABORATORY MEDICINE  
VILNIUS, LITHUANIA  
May 18–20, 2006**

March 23, 2006

Dear Doctor Milan Macek,

On behalf of the Scientific Committee of the 8<sup>th</sup> Baltic Congress of Laboratory Medicine I would like to express most sincere appreciation of your interest in the Congress and agreement to deliver a lecture “Eurogenetest: an overview activities and its relevance towards EU New Member States” on the symposium “Molecular Genetic Testing”.

Duration of your presentation is 25'. It is included in the programme of the Congress on May 19, 2006 at 15.05–15.30.

Multimedia and overhead projectors will be available. If you are going to use our computer, please have the file of your presentation on CD or removable disk (floppy disks will not be accepted). Also, please be sure that your PowerPoint presentation is compatible with MS-PowerPoint 2002 software.

Preliminary programme of the Congress is attached.

Could you, please confirm the receipt of this message at your earliest convenience?

My colleagues and I look forward to see you in Vilnius.

Sincerely yours,

Vaidutis Kučinskas, Prof., Ph.D., Dr. Habil.

Scientific Committee member
