1. The European Public Health Alliance (EPHA) <http://www.epha.org/r/14>

The European Public Health Alliance (EPHA) represents over 100 non-governmental and other not-for-profit organizations working in support of health in Europe. 35 EPHA members are pan-European or international networks.

EPHA aims to promote and protect the health interests of all people living in Europe and to strengthen the dialogue between the EU institutions, citizens and NGOs in support of healthy public policies.
