Description of the requested training and motivation for such training: (max. 20 lines)		

I am a midwife working in the Prenatal Unit of Mangiagalli Clinic that is the University Hospital Gynecology and Obstetric Clinic in Milan, Italy.

I am working in collaboration with the Clinical Genetic Unit and with the Laboratory of Genetics in our institution. I am asking to support partially my subscription fee to participate to the course of EGF "Genetic Counselling in Practice" directed by Dr. Heather Skirton and Dr. Domenico Coviello, held in Ronzano (BO), Italy, 3rd- 8th November 2007.

The course is relevant to my profession that at the present time includes also providing information to pregnant women that ask for amniocentesis of CVS to perform genetic molecular diagnosis or caryotype analysis.

Educational level (predoc, postdoc, experienced, ...)

Degree in Nursing and specialization in midwifery.

I am employed since 1993 at the present institution.

Actual position and Qualifications of trainee (academic, nurses, technicians, industrial, ...)

Employed as midwife full time for the prenatal diagnosis center since four years.

Financial possibilities

The full fee is 1100 Euros + VAT.

I am asking to support for the amount of 522 Euros (VAT included, see attached invoice) because the rest has already been paid.
